

The Festival of Basant and Valentines Day is celebrated on the 14th of February. These celebrations are to rejoice but involve sinful activities, which we as Muslims need to avoid. They entail rituals which flourish on the twin foundations of ignorance and outside influence.

As the days come close, it is our duty to remind our fellow Muslims to stay away from such indulgences, which can be harmful to our faith.

Al Huda offers some products to clear the misconceptions about these events and the related products are offered at a discounted price.

May Allah give us taufeeq to spread his message. Ameen
